Cut wool, leaving long strand with which to sew up and thread through 3 remaining stitches on needle.

Sew back seam.

Turn inside out once cast on edge has been reached, and stuff.

Thread wool through cast on edge and pull tight in a draw – string fashion to seal.

Knot cast on thread with cast off thread so as to secure stuffing, and thread into blood drop so as to finish.

Abbreviations K – Knit, Kfb – Knit front back, K2tog – knit 2 together, K3tog – knit 3 together  
M1 - pick up strand between 2 stitches and knit, knit next stitch to complete M1
